*Note.* All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

*Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.*

A. These Rates of Pay are also to be issued to Non-Commissioned Officers and Soldiers stationed at Jamaica, and whilst on their Passage to and from the East Indies, at the Expense of the East India Company; or when doing duty as Orderlies in General or Regimental Hospital.

B. These Rates of Pay are likewise to be issued to Non-Commissioned Officers and Soldiers embarked in Transports, or other Vessels, (except when serving as Marines, or on the Passage to and from India, as above-mentioned;) also when Prisoners of War; or when employed as Officers' Servants, whether receiving Rations or not.

C. No higher Rates of Pay than are specified in this Column are to be charged for Soldiers in Hospital Abroad, (except for Men belonging to Corps now in France); unless the proper Stoppages for Provisions shall be paid over to the Commissariat, or to the Regimental Surgeon (as the case may be), and the Charge vouched by the Receipt of the Officer to whom such Payments are made. For Men belonging to Corps now in France, the Charge may be made at the Rates specified in Column B.

N. B.—Men doing duty as Marines are entitled to the same Rates of Pay as when stationed at Home.

WAR-OFFICE, DEPARTMENT OF ACCOMPTS,  
18th March, 1818.

SIR,

It having been decided, that the Effects and Credits of Men having become non-effective by Death, should, from the 25th of December, 1817, be accounted for in the Regimental Pay-List, by a deduction from the total of Pay, in the same manner as the Effects and Credits of Deserters, instead of being remitted to the Regimental Agents; I have the honour to transmit herewith, amended Forms of the Monthly Casualty Returns, and to desire, that you will cause corrected Returns to be made out and transmitted for the two months, ending 24th January and 24th February, 1818.

Should any remittance have been made to the Agents, on account of Effects and Credits of Men since the 24th of December last, the Regimental Paymaster is to obtain the Amount thereof from the Agent, and deduct the same in his Quarterly Pay List to the 24th March, 1818.

A further supply of the amended blank Forms may be obtained on application to this Department.

You will acknowledge the receipt of this Letter.

**WARRANT ESTABLISHING CERTAIN REGULATIONS, UNDER WHICH UNATTACHED PAY WILL IN FUTURE BE GRANTED TO GENERAL OFFICERS.**

GEORGE P. R.

*By His Royal Highness the Prince Regent  
of the United Kingdom of Great Britain  
and Ireland.*

WHEREAS We think it expedient that the Permanent Establishment of General Officers, not in command of Regiments, but receiving Unattached Pay under the Regulations contained in our Warrant of the 8th of August, 1814, shall consist of one hundred and twenty General Officers at the rate of one pound five shillings a day each; OUR WILL AND PLEASURE is, in the Name and on the Behalf of His Majesty, that the following Regulations be observed on this subject.

1st. That the Rate of one pound eighteen shillings per diem, now attached to the rank of General, and the Rate of one pound twelve shillings and sixpence, now attached to the rank of Lieutenant-General, shall be abolished, prospectively, and shall not be received by any officers, who may henceforward be promoted to those ranks, and that the Lieutenant-Generals now on the list shall continue to receive their present rate of pay in the event of their becoming Full Generals, and the Major-Generals now on the list shall receive one pound five shillings per diem, without any augmentation of that rate, in consequence of their rising to the ranks of Lieutenant-General or General.

2d. That all officers who may henceforward be promoted to be General Officers, shall continue to retain their Regimental Commissions, receiving the full or the half-pay of their regimental rank, until the total number of General Officers on Unattached Pay shall have been reduced to the above-mentioned establishment of one hundred and twenty officers; and that vacancies which may then happen in the establishment so limited shall be filled up by General Officers to be selected for that purpose.

3d. That those General Officers who are now Colonels of Regiments shall, nevertheless, in the event of their regiments being reduced, be placed upon the establishment of Unattached Pay, at the rates granted to their respective ranks, by our said Warrant of 8th August, 1814.

Given at Our Court at Carlton House, this Eighteenth day of February, 1818, in the Fifty-eighth Year of His Majesty's Reign.

By Command of His Royal Highness the Prince  
Regent, in the Name and on the Behalf of  
His Majesty.

**Note.** All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 26th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

# WARRANT ESTABLISHING CERTAIN REGULATIONS, UNDER WHICH UNATTACHED PAY WILL IN FUTURE BE GRANTED TO GENERAL OFFICERS.

GEORGE P. R.

*By His Royal Highness the Prince Regent  
of the United Kingdom of Great Britain  
and Ireland.*

WHEREAS We think it expedient that the Permanent Establishment of General Officers, not in command of Regiments, but receiving Unattached Pay under the Regulations contained in our Warrant of the 8th of August, 1814, shall consist of one hundred and twenty General Officers at the rate of one pound five shillings a day each; OUR WILL AND PLEASURE is, in the Name and on the Behalf of His Majesty, that the following Regulations be observed on this subject.

1st. That the Rate of one pound eighteen shillings per diem, now attached to the rank of General, and the Rate of one pound twelve shillings and sixpence, now attached to the rank of Lieutenant-General, shall be abolished, prospectively, and shall not be received by any officers, who may henceforward be promoted to those ranks, and that the Lieutenant-Generals now on the list shall continue to receive their present rate of pay in the event of their becoming Full Generals, and the Major-Generals now on the list shall receive one pound five shillings per diem, without any augmentation of that rate, in consequence of their rising to the ranks of Lieutenant-General or General.

2d. That all officers who may henceforward be promoted to be General Officers, shall continue to retain their Regimental Commissions, receiving the full or the half-pay of their regimental rank, until the total number of General Officers on Unattached Pay shall have been reduced to the above-mentioned establishment of one hundred and twenty officers; and that vacancies which may then happen in the establishment so limited shall be filled up by General Officers to be selected for that purpose.

3d. That those General Officers who are now Colonels of Regiments shall, nevertheless, in the event of their regiments being reduced, be placed upon the establishment of Unattached Pay, at the rates granted to their respective ranks, by our said Warrant of 8th August, 1814.

Given at Our Court at Carlton House, this Eighteenth day of February, 1818, in the Fifty-eighth Year of His Majesty's Reign.

## GENERAL ORDER. No. 344.

HORSE-GUARDS, 28th April, 1818.

IN consequence of the inconvenience which has been represented to be experienced from the influx of Military Prisoners into the different County Jails, the Commander in Chief directs the attention of Officers Commanding Regiments to be called to this subject, and His Royal Highness commands that the Names of such Soldiers as may hereafter be sentenced to be so confined, as a Military Punishment, together with the nature of their crimes, shall be transmitted to Head Quarters, previous to the same being carried into effect;—it is also ordered that this Notification shall be accompanied by a Certificate from the proper Medical Officer, that the Prisoner is free from Disease, and the Commanding Officer is to certify that he has not the means of carrying the Sentence into effect, without having recourse to the County Jail.

By Command of His Royal Highness the Commander in Chief,  
HARRY CALVERT, Adjut. Gen.

## GENERAL ORDER. No. 348.

HORSE GUARDS, 12th May, 1818.

WITH reference to His Majesty's Commands, which were issued by the Secretary at War on the 29th July, 1806, and by which it is directed, "that a Soldier, having enlisted for limited Service, who shall be guilty of the Crime of Desertion, shall be deprived of all Title to increased Pay or Pension arising from antecedent Service," His Royal Highness the Commander in Chief directs it to be communicated to the Army, that such Soldiers are not entitled to their Discharge until they shall have actually served the full period for which they were enlisted, and that on their apprehension or surrender, they are to make good the time during which they may have been absent from their Regiments in a state of Desertion, previous to their Discharge being granted.

It is to be understood, that this Order is not intended to interfere with, or in any manner to affect, the Punishment to which Deserters are liable by the Sentence of Courts Martial, but solely to remove a doubt, which has hitherto existed, as to the periods at which Soldiers, enlisted for limited Service, who may have been guilty of Desertion, are entitled to their discharge.

By Command of His Royal Highness  
The Commander in Chief.  
HARRY CALVERT, Adjutant General.

**Note.** All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 23d June, 1814, with respect to Officers reduced since that date.

Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

**Note.** All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

PAY TO GENERAL OFFICERS UNATTACHED.

## GENERAL ORDER. No. 349.

HORSE-GUARDS, 26th June, 1818.

THE Commander in Chief, having grounds for apprehending that a deviation from the original Intention has, in some instances, occurred in the application of the Allowance granted in aid of the Expenses of the Officers' Regimental Messes of Regiments in Great Britain, as notified in the Secretary at War's Letter of the 19th March, 1811, the distribution of which, by a subsequent Memorandum, is left to the Discretion of Commanding Officers, His Royal Highness judges it necessary to recal to their recollection, and to explain for their guidance, that the object of this most gracious consideration, on the part of His Royal Highness the Prince Regent, acting in behalf of his Majesty, is to place the Mess of each Regiment on the most respectable footing, and to give a general extension of the advantage and benefit it is calculated to afford, by enabling every individual Officer to be a Member of the Regimental Mess:—In the expenditure of this Money this main object must never be lost sight of, and the whole of the Sum must be exclusively devoted to it.

With this view, His Royal Highness judges that a reasonable supply of Mess Necessaries, viz. Knives, Forks, Spoons, Table-Linen, Glass, and indispensable Mess Utensils, may, at the discretion of the Commanding Officer, be admitted as a charge against this Fund:—With these exceptions, the whole Sum must be applied to the reduction of the daily expenses of the Regimental Mess, for the Comfort and Accommodation, exclusively, of those Officers who attend it, and most particularly for that of the junior part of the Officers of the Regiment.

By Command of His Royal Highness

The Commander in Chief,

HARRY CALVERT,

Adjutant-General.
